

## THE POWER OF YOUR SUBCONSCIOUS MIND BY JOSEPH MURPHY

### How she restored her memory

A woman, aged seventy-five, was in the habit of saying to herself, "I am losing my memory". She reversed the procedure and practised induced autosuggestion several times a day as follows: "My memory from today on is improving in every department. I shall always remember whatever I need to know at every moment of time and point of space. The impressions received will be clearer and more definite. I shall retain them automatically and with ease. Whatever I wish to recall will immediately present itself in the correct form in my mind. I am improving rapidly every day, and very soon my memory will be better than it has ever been before." At the end of three weeks, her memory was back to normal, and she was delighted.
