

PROCEDURE IN THE USE OF MAGNETS FOR ALL KINDS OF ACHES, PAINS, INJURIES, SPRAINS, KNEE PAINS & PROSTATE PROBLEMS

Open the door with hinges and the door opens easily. Paint the hinges and it is not easy to open the door and the second coating of painting, it becomes more difficult to open and at the third coating the door will squeak.

The same thing happens with the knees, the food which is not digested and assimilated blocks the human hinges at the knee (or other parts of the body) and we use magnets to activated or move the blockage of the cells at the knee (put the nails in the glass and put the magnet underneath and move it you will see that all the nails move).

Once the blockage is dissolved and the flow starts, your pain disappears.

The magnets we usually use are 2 magnets of 45mm X 22mm X 9mm, but any other magnet can be used.

Those who have knee pains, or any other pains, we put the North pole of the magnets touching where they have most pain, and south pole on the other side, and make them say to themselves:

1a. - My Foot on the floor, magnets at the affected parts, an I deep breathe (and at that time you actually breathe deeper & deeper)

2a. - Put the leg up, and repeat my leg up, magnets at the affected parts, and I deep breathe, actually deep breather.

3a. - Repeat of 1a.

4a. - Put your leg behind and repeat my leg at the back, magnets at the affected parts, and I deep breathe, and of course actually deep breathe.

You have to do this for about 3 minutes, and this time repeat with the same, but rotate the magnets clock wise over the affected parts, going down if the pain is down or anywhere

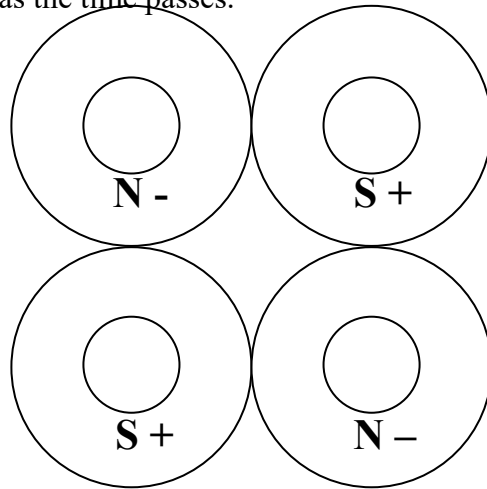

Repeat this for further three minutes, and then remove the magnets put the magnets together carefully slowly put these together, without clicking, otherwise they can break, and put those on the table, get up and walk, and you will find that the knee pain or any other pain where the magnets have been rotated has miraculously disappeared.

Those who have pacemaker or stein or any metal for the heart or any other part of the body, in no circumstances should use the magnets near the heart or any other part where the metal exists.

In both cases above & the following use five chain magnets as per Art 21 to keep your system clean, and follow the foods and their products to be avoided, bottom of page 1 of Art 21, cooking to be done without fats, and change of diet as recommended page 2 of Art 21.

Similarly **PROSTATE PROBLEMS** are also owing to blockage, during the day because of discomfort, the patients avoid going to the bathroom as little as possible, but at night they wake up, as the body cannot hold any more, so they go to the bathroom, and here again urinate the minimum, and have to get up again and again, some even get up a minimum of three times or more during the night.

For such patients we use 4 round magnets as above, (figure below) put them together North South North South, and advice patients to sleep on the magnets placing the prostate part on these four magnets for about half an hour twice at night just before sleeping (Deep breathe until you may have gone to sleep) or during the day, and to their surprise these powerful magnets are able to dissolve the blockage, and they are able to reduce having to wake up so many times at night and even during the day they are able to urinate freely, improving every day as the time passes.
